

ISLAND MOVING CO ANNUAL REPORT 2015

Where passionate dancers and energized audiences connect

OUR MISSION

Island Moving Co., celebrating its 34th year, is a non-profit, classically trained contemporary ballet company, founded on the belief that collaboration and a supportive environment enhance the creative process, producing great works of art representing profound expressions of the human spirit and experience. **Through education and outreach, dance enriches the life of our community and positively impacts the individual's sense of self.**

IMC is known for **our work in area schools**, having created residencies through various funders, including the Rhode Island State Council on the Arts **Artists in Residency program**. The Company has taught creative movement to children in area schools for the past twenty years, **matching core curriculum with the expression of movement and dance.**

OUR PAST YEAR

Resident IMC Dancers	9
IMC Junior Company Dancers	28
Performances in Site Specific Venues	47
Guest Artists	74
Children Recipients of Newport Academy of Ballet Scholarships	24
Children Attendees of School Residencies	3421
Audience Members	5081

OUR FUTURE

In our 34th year and as a part of our **strategic planning**, IMC is committed to **finding our forever home.**

The benefits are clear: a larger space equates to **expanding our connection to our community, increasing our revenue, and broadening our audience.**

To that end, we have begun the work of preparing for a capital campaign. Engaging a community of supporters, we conducted a **feasibility study** showing a **breadth of support** for the endeavor.

We have hired a consultancy group to aid in our efforts. We have also been keeping an eye out for that perfect property—one that will **keep us dancing and inspiring** for many years to come.

Now is the time to **help us leap** into the **next 34 years of great dance in great places.**

Your contributions ensure that our **performances, educational programming, and outreach** work continues. Make a **donation, volunteer, and attend performances.**

You can also help IMC dance forever - **leave your legacy and join our Red Shoes Society.**
